1. History of Unilok Logistik GmbH

2001 Company foundation in the Freeport of Hamburg

2012 Relocation to our new warehouse and logistics center at Heykenaukamp 5-7, 21147 Hamburg

- » long-term secured location
- » excellent transport links
- » modern designed industrial real estate
- » state of the art handling equipment and industrial trucks
- » external warehouse in close proximity to the Container Terminals, with own berth and connection to a barge liner service within the Port of Hamburg

2012 Acquisition by Bremen based **D. Heinrichs Holding**, since then also represented in Bremerhaven by our sister company **D. Heinrichs Logistic GmbH**

2. Our Services

- loading and unloading containers of all kind
- handling of out of gauge cargo and project shipments
- handling of dangerous cargo
- handling and storage of containers

- export packaging of OOG-cargo
- weighing of containers according to „Solas“ standards
- venting of containers

- inhouse customs clearances
 - » ATLAS or paper-based
 - » „Lagertyp C“, „zugelassener Empfänger (ZE)“, „zugelassener Versender (ZV)“, „zugelassener Gestellungsart“, own deferment accounts

- trucking of containers of all kind, transportation of heavy loads, excess heights and widths, haulages of general cargo, dangerous goods etc.

3. Warehouse Facilities and Technical Equipment

=> Facilities at Heykenaukamp 5-7, HH-Hausbruch
